Cannabis & DTC: a hemp smokables DTC brand, ZenCo, Bud.com, Kush.com, Glunt, Melee Dose, NanoGrow Max, Canna Buust, plus 30+ Canna Connect Agency clients

PROFESSIONAL EXPERIENCE

Co-Founder | Canna Connect Agency · New York, NY Mar 2024 – Present

Co-founded and lead a full-service digital marketing agency serving 30+ clients across cannabis, consumer goods, hospitality, and entertainment. Profiled in High Times for redefining cannabis-industry social strategy. Direct all creative, paid, influencer, and analytics functions and manage two marketing interns.

- **Drove \$100K+ in client sales for a hemp smokables DTC brand from organic posting alone** (no paid ads) within a 3-month period; recently generated \$10K in revenue for ZenCo from just 10 organic posts.
- **Designed high-converting free-sample landing pages and acquisition funnels** — the last two campaigns each drove 500+ orders in week one and a 67% first-month retention rate (free-sample claimers converting to paid purchases).
- **Engineered a single X campaign that delivered 25M+ impressions and 50,000+ link clicks** for a smoking device client — shot iPhone-native, no studio production.
- **Scaled agency-owned accounts by 800K+ followers and drove 2.5B organic impressions and 1.2B video views** in 2024.
- **Built an AI content and avatar-production system** using Claude, Midjourney, Higgsfield, and OpenClaw — including virtual-influencer / UGC video with consistent character continuity and brand-safe prompt rules — cutting production time ~60% while scaling output across X, Instagram, TikTok, and LinkedIn.
- **Architected the agency's full-stack client and admin platform** (Next.js, Supabase, Vercel) — a client portal with campaign tracking, CSV data import, and automated KPI dashboards that replaced manual reporting with AI-synthesized performance insights.

- Produced influencer campaigns generating 1.2B+ video views and 10K+ new customer acquisitions via organic content and giveaway mechanics.
- **Built and published “Midterms 2026 — Cannabis Edition,”** an interactive D3.js dashboard mapping federal candidates’ cannabis-policy positions with FEC data, ballot measures, and DOJ rescheduling news — an original thought-leadership asset for the agency.

Marketing Manager | NanoGrow Max + Canna Buust · New York, NY Mar 2026 – Present

Own end-to-end marketing and operations for two DTC brands — NanoGrow Max (nanotechnology agricultural foliar spray; RootMAX & GroMAX) and Canna Buust (consumer cannabis odor-eliminating spray) — building the entire digital and commercial foundation for both, from website to fulfillment, with heavy AI augmentation.

- **Built and run full-stack Meta Ads campaigns** — Pixel and Conversions API setup, conversion tracking, audience architecture, creative testing, and ROAS reporting — plus paid campaigns on TikTok and Google.
- **Designed, built, and CRO-optimized the Shopify storefronts from scratch** — product pages, conversion funnels, mobile responsiveness, cart/upsell automation, email capture, and on-page SEO.
- **Built a complete Klaviyo lifecycle email system** — 13 automated flows across 39 emails (welcome, abandoned cart, post-purchase, win-back, and proof/case-study sequences) in a founder-voiced brand tone.
- **Own all organic social, content, and influencer marketing** across Instagram, TikTok, X, and LinkedIn — strategy, content calendar, creator outreach, and community management; produce 100% of brand content (photography, short-form video, ad creative, and AI-generated visuals via Midjourney, Higgsfield, and Runway).
- **Run operations directly with our 3PL partner** on receiving, fulfillment, and shipping SLAs — and use sales analytics to forecast velocity, schedule restock POs, and prevent stockouts and shipping delays across SKUs.

Social Media Manager | Bud.com · New York, NY Oct 2024 – Oct 2025

Owned social strategy, content, influencer activations, and product launches for a national cannabis e-commerce platform.

- **Revamped X (Twitter) content strategy delivering** 10M+ impressions, +73,000% engagements, and +10,000% profile visits in 6 months.
- Directed product launch campaigns that lifted AOV and accelerated new customer acquisition.
- Managed national influencer partnerships and orchestrated brand photoshoots; founded “The Rolling Derby,” a global joint-rolling competition staged across 5 cities (including Planet 13, Las Vegas) with hundreds of participants and 5M+ social impressions across Instagram, X, and Reddit.

Social Media Specialist | Kush.com · New York, NY Sept 2024 – May 2025

Re-launched Kush.com’s social presence across X, Instagram, and LinkedIn with a data-driven, B2B-focused approach.

- **Drove 6M impressions, +30,000% engagements, and +17,000% profile visits** within 4 months.
- Developed paid B2B campaigns targeting cannabis operators and retailers; built influencer/UGC partnerships and ran daily social listening with trend-based content pivots.

Social Media Manager & Equity Partner | Glunt · New York, NY Jan 2023 – Oct 2023

Led full social relaunch and digital growth strategy for cannabis lifestyle brand; brought on as equity partner.

- **Achieved 12x ROAS — \$50K+ in sales on \$4K ad spend** via combined influencer and paid campaigns; negotiated and managed 30+ influencer partnerships.
- Grew Twitter (X) audience by 10K followers in 3 months, fully organic.

Head of Content | Top Tree Agency · Los Angeles, CA (Remote) Jun 2018 – Dec 2022

Directed content creation and meme marketing campaigns for major record labels and consumer brands; scaled agency-owned social profiles to 1.4M followers.

- **Developed viral campaigns for artists under Columbia Records and Atlantic Records** — including Wiz Khalifa, T-Pain, Missy Elliott, Megan Thee Stallion, and Joyner Lucas.
- Managed full-funnel influencer campaigns (outreach, negotiation, briefing, reporting) and produced cross-platform viral content delivering millions of organic impressions against KPI targets.

Founder | Parker Beck Marketing · New York, NY 2013 – Mar 2024

Operate a digital marketing consultancy and a personal network of viral social media properties totaling 1.5M+ followers.

- **@WeedPorns (X) — largest cannabis account on the platform — and @SkateboardVine**, together 1.5M+ followers; @WeedPorns drove 2.1B impressions, 783K new followers, 802M media views, and a 5% engagement rate in 2024.
- **Delivered social campaigns for DraftKings, Mizuno, New Balance, and Beats by Dre** — including 5,000+ first-month app downloads for DraftKings and Beats by Dre.
